

Election Results

Here are the figures for the election:

175 countable ballots received	Gary Arth	295
1 received ballot empty	Virginia Bryan	288
12 ballots returned as not deliverable	Sue Frey	260
1 ballot invalid	Andy Russo	112
(All 10 votes were not exercised for all ballots received)	Marcia Wever	242

The Board now has two new members, Gary Arth and Virginia Bryan. Sue Frey, Barbara Freeland, and Marcia Wever were re-elected, and Andy Russo will not be returning to the Board. Thanks to Andy for his past service, and a warm welcome to Gary and Virginia.

The Meetings and Elections committee members were Judy Budzileni, Jude LeTourneau, and Karen Aplin, who will remain on the committee with the addition of Barbara Freeland and Sue Frey for next year.

Annual Lake Clean-up

Our annual lake cleanup is scheduled for April 30, 2005 from 7 a.m. to whenever we finish. It goes faster if more people show up, so meet at the lot on West Lake Drive behind the Budzileni residence at 1405 Gerber Road. Wear weather appropriate clothing, work gloves and boots, and bring yard tools if you like. Chain saws are helpful in cutting larger logs into manageable pieces.

A dumpster will be placed on the property by Midland Waste. The dumpster is to be used for lake cleanup only, not for carpet, shingles, concrete blocks, bricks, or other materials from houses and garages.

Please come help remove trash and debris from our common areas around the lake. If we have enough people, it can be finished before noon. If we do not have enough people, we will hire it done next year. Your volunteer efforts are a way of keeping lake maintenance costs down, so please join us. The more, the merrier!

Girl Scouts Are Helping

Girl Scout Troop 575 (Judy and Brooke Budzileni's Junior Troop) will be helping pick up bottles and cans on the common areas. These are 9 and 10 year-old girls who want to do a service project. The troop also participates in collecting personal hygiene products for the Glen Ed Pantry every year. You may have received a bag with a note on your door if you live on West Lake Drive, Franklin, or Gerber Road. Instead of exchanging gifts with each other at Christmas, the girls voted to send gifts to the Oasis Women's Shelter and Glen Ed Pantry for the past two years. The girls are doing several fund-raising projects such as yard sales, and making and selling Sand-Art Brownies and other baked goods so they can go to the Trout Lodge YMCA in Potosi, MO for a weekend in July. These are some hard-working, good-hearted girls. Don Hamilton suggested a donation to the troop to help them in their efforts to earn money for their weekend trip in exchange for their help with the lake cleanup. Thanks for the suggestion, Don!

DECORATE YOUR BOATS FOR THIS YEAR'S BLESSING OF THE FLEET

Please mark your calendar for this year's Blessing of the Fleet. This year it will be held on July 17, 2005 at the East

Lake/St. Mary's Drive Activities Area. I will be sending out reminder cards as we approach this date. Brats and Hot Dogs will be served and we ask that each participant bring a covered dish. Let's plan on a big event again this year. Jude LeTourneau, Treasurer

FINANCE REPORT It is that time of year again. Assessments will be going out no later than May 15th. They will be due by June 30, 2005.

Safety & Boating Information

From Toni Siler, Committee Chair

Members: Marcia Wever & Jude LeTourneau

Hello association members! A big thanks to all association members who worked to make our lake safe. Thanks to those who phoned to report boats adrift, tying up drifting boats, and contacting owners, in addition to practicing safe boating habits. Thanks to committee members Marcia , and Jude for all their hard work on the committee. Thanks to Tom Siler who volunteered his services unselfishly. Volunteers are always welcome and encouraged to participate, give us a call, or attend the monthly Board meetings to learn more.

To apply for a Dunlap sticker, please send \$10.00 per boat to 10 Crystal Court, Glen Carbon, IL 62034. All boats on the lake need to be stickered to identify boats that belong to the association. A \$5.00 fee is to reregister a boat that already possesses a Dunlap sticker.

When boating, please keep an eye out for other boaters, swimmers, and persons on floating devices, or persons in non-motored craft as they have the "right of way." Water safety and boating information is listed below:

- Outboard motors used on the lake are limited to 7.5 horsepower. Pontoon Boats are allowed motors with a maximum of 9.9 horsepower. This maintains our shorelines and is for safety purposes. Only one outboard motor is allowed to be mounted on each boat.
- All Boats (including canoes, paddle boats, fishing and sail boats) need a Dunlap Lake sticker. Please contact Toni Siler at 288-0260 to register your boat. Each property owner is entitled to a total of three boats.
- Any craft on the water from sunset to sunrise must have running lights and/or anchor lights.
- All boats on the water should be in compliance with Coast Guard regulations, including adequate life jackets for all passengers on board and a fire extinguisher on motored boats.
- Remember that sailboats, paddleboats, canoes, and swimmers all share the lake and have "right of way" before motorboats. Be Safe and Enjoy!

For Access to the Boat Ramp

Please call one of the following for access to the boat ramp located on Barnett Drive:

Check Out The Website

The Website has been updated, and the report from Cochran and Wilken is online. It is a very large report with graphics and pictures, so it may take a while to download to your computer. A printed copy of the report is available at the Edwardsville Library or a CD copy of the report is available for a \$2.00 fee, paid in advance. Call Judy Budzileni at 692-4590 or Don Hamilton at 656-2975 to request a copy.

Our newsletters and meeting minutes for the current and past year are on the website, as well as some pictures around the lake. The board members' information is also available online. You can now contact any board member by email from the website. If you have suggestions for improving the site, please contact Judy Budzileni.
