Vision

Dunlap Lake is the focal point of our community and we all share the responsibility of maintaining it. We will build upon the community's original legacy and preserve the lake's character and environs, offering abundant recreational amenities for our residents.

The Dunlap Lake Property Owner's Association, as steward of both natural and financial resources, works to give access to all members and to maintain Dunlap Lake as a safe, inviting community.

MEETINGS, ELECTION & SOCIAL

Josh Schumacher

- 2022 was another active year at the Lake with many new and returning activities like the always popular Lighted Boat Parade!
 - Our now “Annual” Block Party continued with great tunes from Lannie & Julie
 - We saw lots of meetups of informal clubs like Paddle Boarding and Kayaking
 - This year brought a new outdoor family movie night & bonfire with was a huge hit
 - Our Logo Wear Sales and Annual Chicken Dinner continue to help the Social Committee to be self funding
- 2023 Goals
 - More new ideas of ways to engage Lake residents in getting to know one another, and enjoy our small community
 - Continue to schedule both “on water” and “off water” activities
- You do not need to be a Board member to join any DLPOA Committee and we are always looking for volunteers. Remember, we’re the fun committee!
